Joseph Freeman

I am an ambitious, client focused and a data driven professional. Always looking to improve, I am currently enrolled in the Full Stack Development Bootcamp through the University of Richmond while working as a Technology Apprentice at Maxx Potenti

Work Experience

MAXX POTENTIAL

Technology Apprentice

March 2021-Current

- Currently on a project where I am 3rd party internal IT support for an international corporation
- Investigate and troubleshoot user issues, gauge daily health of internal systems, and isolate problems on a larger scale before escalating

COSTAR GROUP

Tenant Researcher I

Jan 2019- Dec 2020

- Investigate and manage tenant and building information through interviews and web research to manage, update, and ensure accuracy of commercial real estate database
- Collaborate with Marketing Research to ensure accuracy of high profile client data
- Selected based on quality of work to manage Diamond level building listings to ensure the highest accuracy for our clients marketing their buildings with maximum exposure
- Recognized as Interview of the Month Sept and Nov 2019

Work Experience

COSTAR GROUP (Cont.)

Tenant Research Technician

April 2018 - Jan 2019

- Investigate tenants and smaller commercial buildings data through interviews and web research to manage, update, and ensure accuracy of commercial real estate database
- Analyze data to understand larger trends in commercial real estate

Tenant Surveyor

March 2017-April 2018

- Call a variety of tenants to manage, update, and ensure accuracy of commercial real estate database

Other Work Experience
